### **Foretravel Teams Up With 11 Time World Champion Barrel-Racer And All-Time Leading Money Winner Charmayne James**

We know America loves her cowboys, but there's always been a very special place in our hearts for cowgirls. The undisputed all-time greatest barrel-racing cowgirl in the world is Charmayne James. She is the 11 time WPRA Barrel-Racing World Champion, holds the title of All Time Leading Money Earner in the WPRA and has competed at the most consecutive National Finals Rodeos than any other barrel-racer! Charmayne developed her skills as a young horse trainer by training her future champion "Scamper" to barrel-race and went on to turn pro at the age of fourteen. Charmayne and Scamper continued to amaze the rodeo world with a string of wins and championships no cowgirl has yet to surpass. She and Scamper even won their 1985 NFR event bridle-less (by accident.) Later Scamper and Charmayne were inducted into the ProRodeo Hall of Fame and National Cowgirl Hall of Fame respectively.

Joining with Foretravel is just another step for this amazing cowgirl. "When it comes to craftsmanship, service and expertise, Foretravel Conversions will reshape the horse trailer industry. The quality and attention to detail that goes into each Motorcoach and Living Quarters Trailer Conversion will provide a new level that the trailer industry has not seen. After getting to know the folks at Foretravel and their operation, I'm happy to be involved with their products" says 11-Time WPRA World Champion Charmayne James. According to Foretravel President Greg Amys, "We recognize Charmayne's accomplishments and influence with women across the spectrum of the horse world. She brings with her the love and respect from a lifetime of success and honesty toward her fans and her horses. She actually cares more for her horse's well-being than for her own and many women share that quality with her."

Foretravel recently entered the high end horse trailer conversion industry and is proud to add Charmayne to their Pro Team of Six Time All Around PRCA World Champion Cowboy Trevor Brazile, PRCA World Champion Team Roper Patrick Smith, and Celebrity PRCA Rodeo Announcer Mike Mathis. Foretravel sees this addition as a major achievement towards their future success in the Conversion Industry to help them achieve their goals in this highly competitive and expanding marketplace.
